Frequently Asked Questions

This health insurance policy meets all the requirements to apply and renew O-A Long Stay Visas in Thailand. Insurance policy holders will receive an Insurance Certificate to support their visa applications.

1. Who can apply as a planholder?

Individuals between 18 and 80 years old can apply to this health insurance policy. We calculate the insurance premium based on the age of the applicant upon application date.

2. What is the area of coverage of this health insurance policy?

This health insurance covers only in Thailand.

3. Is a health medical check up compulsory to apply? Can Luma assist in coordinating this medical check up?

Before 65 years old, no medical check up is needed to apply to this health insurance.

After 65 years old, a medical check up is needed to apply to this health insurance. Please refer to your health insurance consultant to know the detailed list of medical tests required.

Luma can assist in coordinating this medical check up in Thailand. Please note, fees related to the physical examination are not included in the insurance policy.

4. Can I add more people to the policy?

Yes. You may add:

- Spouse of the Insured who is less than 80 years old.
- Legal children of the Insured or of the spouse from the age of 6 years but not over 20 years who is not yet married and is still attending school.

5. When does my coverage begin? Are there any waiting periods?

In the first year of the policy, the insured must pay the premium before or on the effective date. The coverage will commence from the effective date stated in the policy schedule.

There is a 30 days waiting period starting from the policy start date for any sickness, except for injuries following an accident.

A 120 days waiting period applies for the following diseases:

- Benign or malignant tumor or cancer or cystic mass
- Hemorrhoids
- Hernias
- Pterygium, pinguecula, cataract
- Tonsillectomy or adenoidectomy
- Stones
- Varicose Veins
- Endometriosis

6. Are people with pre-existing conditions covered?

Those who are aware of pre-existing medical conditions may apply - but pre-existing conditions may be excluded from coverage.

7. Can I renew my policy?

Yes, our plans can be renewed until 90 years old. The insurer reserves the right to adjust the insurance renewal premium according to your personal claim experience and increasing age.

8. Can I visit a hospital of my choosing?

Yes, you are free to choose any licensed medical or surgical provider in Thailand excluding any modern medicine or alternative medicine provider.

9. Do I need to pay upfront for my medical expenses?

No, in most cases if you visit a hospital in our vast direct billing network, we will settle the bill with the hospital directly. In the event that you visit a hospital outside our network, you will need to submit us your claims.

10. If I receive continuous treatments related to a previously covered injury or sickness, will the treatment costs be counted within the same disability limit?

These treatments will be counted within the same disability limit, unless such treatments occur more than 90 days after the last related treatment date in case of a hospitalisation, or more than 14 days for outpatient treatments.

11. What is the currency of this policy? What are the payment options?

This policy is under Thai Baht (THB), applicable to both benefits and reimbursements. You may pay the full annual premium by bank transfer, debit card or credit card.
